CHURCH CENTER APP

One thing we are really excited about is the Church Center App that integrates with Planning Center, a software our church already uses for coordinating volunteers, kids check in, and event registration.

We are encouraging everyone with a smart phone to download the app, as it will make registering for upcoming events even easier than before.

DOWNLOADING/USING

- Download the app via the [App Store](#) / [Google Play](#).
- Access [online](#)
- Also attached in this email is a Doc with more detailed instructions on how to download and use or a brief [video walking through the process](#).
- We will continue to provide instructions as we add more integrations or utilize new features
